Are you thinking about buying a new life insurance policy and discontinuing or changing an existing one? If you are, your decision could be a good one - or a mistake. You will not know for sure unless you make a careful comparison of your existing benefits and the proposed benefits.

Make sure you understand the facts. You should ask for the advice of the company or agent that sold you your existing policy to give you information about it.

Hear both sides before you decide. This way you can be sure you are making a decision that is in your best interest.

We are required by law to notify your existing company that you may be replacing their policy.

The following policy(ies) may be replaced as a result of this transaction:

Policy #1:

1. Name of Insured JOSEPH GAROFALO

4. Policy Type MVA Annuity

2. Company Name Corebridge Financials

5. Face Amount \$582,299.00

3. Policy Number 6CC20548

Policy #2:

1. Name of Insured _____

4. Policy Type _____

2. Company Name _____

5. Face Amount _____

3. Policy Number _____

Policy #3:

1. Name of Insured _____

4. Policy Type _____

2. Company Name _____

5. Face Amount _____

3. Policy Number _____

It is seldom wise to terminate your existing policy until your new policy has been issued and you have examined it and found it to be acceptable.
