## MUST BE PRESENTED TO, SIGNED AND DATED BY THE OWNER AND PRODUCER AT THE TIME OF APPLICATION

If you are thinking about **discontinuing** or **changing** an existing life insurance policy or annuity contract and **buying** a replacement, your decision could be a good one — or possibly a mistake. Make sure that you understand the facts. You should:

- Make a careful comparison of your existing policy and the proposed policy.
- Ask the company or agent that sold you your existing policy to provide you with complete information about it.
- Consider both sides before you decide.
- Determine what you want your insurance program to do.
- Consider your present health. You may have had a change which could affect your insurability, so make sure to continue your present policy until a new policy is delivered to you and accepted by you.

This form **must** be completed in triplicate and the original given to you by the agent proposing replacement no later than at the time you apply for the new policy. (This form must be completed and given to you even though the proposed replacement policy is with the same company that sold you your existing policy.)
